The changes listed below have been made to the original release of *Intergovernmental Issues in Indiana: 2001 IACIR Survey* (May 2002). These changes are reflected in the electronic document now available on the IACIR web site (June 2002).

Page 1, first bullet point under Findings:

Change "increasingly" to "continue to be"

Change "eighty-seven (87)" to "eighty-four (84)"

Change "represents a small increase" to "is consistent with results"

Page 5, first paragraph under Local Conditions and Services

Change "(87 percent)" to "(84 percent)"

Change "represents a small increase" to "is consistent with results"

Page 5, first paragraph under Local Conditions and Services

Change "trustees reported being the least optimistic (64 percent)" to "trustees reported being the least optimistic (63 percent)"

Page 6, Figure 1

Change the pie wedge for "neither optimistic or pessimistic" to 10% (from 9%)

Change the pie wedge for "mildly optimistic" to 50% (from 49%)

Page 7, first paragraph

Change "For 20 our of 32" to "For 19 out of 32"

Change "Among the remaining 12 conditions" to "Among the remaining 13 conditions"

Change "Unemployment (63 percent)" to "Unemployment (62 percent)"

Change "Roads and Streets (62 percent)" to "Roads and Streets (61 percent)"

Page 23, Figure 16

Reorder the bars for "understand the basic issue only" and "understand the issue and available solutions." "Understand the basic issue only" should be the second bar on the left.

Page 24, first paragraph

Change "(50 and 43 percent, respectively)" to "(50 and 48 percent, respectively)"

Page 21, first paragraph and Table 21

Change "Pass Stricter Controls (39 percent)" with "Pass Stricter Controls (41 percent)"

Replace entire table with correct figures (see corrected report)

Page 28, Figure 19

Adjust "pass stricter rate controls" figure to 41%

Adjust "provide additional aid to low-income households" to 14%
